ABOUT THE CHARITY

Since **2005**, the Bicol Clinic Foundation has treated over **50,000** impoverished patients in mainly the Philippines, Nepal, Haiti and **locally in the USA**. We have constructed a permanent, outpatient hospital in the Bicol region of the Philippines, and have built clinics in Haiti and Nepal; and established a disaster relief fund dedicated to supporting victims of natural disasters.

The Bicol Clinic Foundation (BCF) establishes itself as a provider of medical care to impoverished areas on a small scale (one village at a time), allowing us to form long-lasting, personal relationships with both the patients and the local authorities. We don't just save lives; we aspire to change them. We provide excellent medical care to all of our patients, while at the same time offering a hands-on experience and training often unattainable in the U.S. for our volunteers. With the help of your generous contributions, we are able to fund teams of medical students, doctors and nurses to participate in clinic rotations in the Philippines, Nepal and Haiti.

The Bicol Clinic Foundation needs your assistance and donations to keep these extraordinary efforts alive. These clinics are run entirely by the good will of our supporters, and the results are lasting and life-changing. Through events like these, we've been able to raise nearly \$4 Million.

EVENT TIMELINE

Breakfast & Registration.....	10:00am
Shotgun.....	12:00pm
Cocktails/Dinner & 19th Hole Challenge.....	5:30pm
